To: Kenneth Barish, Chair of the Assembly of the Academic Senate
and Cherysa Cortez, Executive Director of the UCR Academic Senate

From: Kinnari Atit, Ph.D., Faculty Chair of the School of Education Executive Committee

Subject: SOE FEC's Comments on 3rd Rd-UCR Regulations 2, 3, and 4: 2

The SOE Executive Committee reviewed the 3rd Rd-UCR Regulations 2, 3, and 4: 2. Comments/feedback were solicited via email.

This revision largely addresses the SOE's earlier concerns by allowing the M.Ed. capstone to be either an analytical report or project. However, we request that the language "depending on concentration" be removed from 03.01.04 as it may restrict student options for the Teacher Education Program in the future.

Thank you for the opportunity to provide feedback.

Sincerely,

Kinnari Atit
