

**COMMITTEE ON MEMORIAL RESOLUTIONS  
ANNUAL REPORT TO THE RIVERSIDE DIVISION  
NOVEMBER 30, 2021**

To be received and placed on file:

The Committee on Memorial Resolutions is responsible, on behalf of the Division, for preparation and publication of commemorative statements concerning the lives and services to the University of deceased members of the Division, and other members of the University community whom the Committee, at its discretion, may choose to memorialize.

Once memorial resolutions are ratified by the Division, they are submitted to the UC Academic Senate for inclusion in the *In Memoriam* Academic Senate publication. *In Memoriam* is produced by its faculty to honor deceased colleagues with the hope that these memorials will serve as fitting tributes to those departed friends, who served the University of California so well.
