from University Housing for reasons related to conduct, or have a case pending before SCAIP.

In all cases an effort will be made to appoint members who represent the disciplinary diversity within each college/school, whenever possible. Staff support to the committees will be provided by the office of the Vice Provost for Administrative Resolution, the office of the AVC/Dean of Students, and SCAIP. No Change

**Statement of Purpose and Effect:** Appointing ten to twelve faculty members for Colleges and three to six for Schools to the Academic Integrity Committee (AIC) allows for a more diverse membership in expertise and demographics to represent the types of cases reviewed by the AIC, and prevent fatigue due to the increasing number of committees being reviewed by the AIC.
