Introductory Meeting with Vice Provost of Administrative Resolution Brisk

The Committee met with VPAR Brisk and discussed the following: COVID Vaccine Compliance rates at 100% for AY22-23 with no related disciplinary cases anticipated to come forward; Bylaw 335 grievances in relation to “lateral” grievances (faculty v. faculty). The Committee noted the context of a grievance is important and grievances will be reviewed on a case-by-case basis to determine if they fall within the purview of the P&T Grievance process and related disciplinary processes.

Continued Review of AY21-22 Carryover Grievance

The Committee reviewed the current status of a grievance received in Winer 2022 that was put in abeyance in July 2022 pending the outcome of an investigation into allegations of research misconduct. The Committee agreed to request the investigation documents from the Office of VC-RED and ask the Grievant to provide their response to the investigation. The Committee will reconvene to discuss the requested material and determine next steps.
