Case Discussion

The Committee conducted an "if true" review of a case received in February 2026. The Committee determined that, if true, the allegations would not constitute a violation of the University's policy on Faculty Conduct. The Committee will communicate its determination to VPAR.

The Committee conducted an "if true" review of a case received in February 2026. The Committee determined that, if true, five of the six allegations would constitute a violation of the University's policy on Faculty Conduct. The committee will conduct an inquiry before its determination on probable cause by requesting information from the parties involved.
