Review/Approval of Meeting Minutes

The minutes from the meeting on April 30, 2026 are pending.

Case Discussion

The Committee conducted an inquiry on a complaint received February 2026, to determine probable cause having found "if true" on three of five allegations. The Committee reviewed the evidence submitted from the Respondent and Complainant, in addition to conducting an interview with relevant parties. Following the discussion, the Committee unanimously determined that there was probable cause to warrant a disciplinary hearing on one of the allegations. The Committee's recommendation memo and inquiry documents will be transmitted to the VPAR for a final determination on probable cause.

The Committee conducted an "if true" review of a case received in April 2026 (1 recused). The Committee unanimously determined that, if true, the allegations would not constitute a violation of the University's policy on Faculty Conduct. The Committee will communicate its determination to the VPAR.
