Review/Approval of Meeting Minutes

The minutes from the meetings on April 30, 2026 (+5-0-1) and May 7, 2026 (+5-0-1) were approved.

Case Discussion

The Committee conducted an inquiry on a complaint received February 2026, to determine probable cause having found “if true” on five of six of the allegations. The Committee reviewed the evidence submitted by the Respondent. The Committee requested, but did not receive, a response from the Complainant. Following the discussion, the Committee determined that there was no probable cause to warrant a disciplinary hearing on any of the allegations. The Committee’s recommendation memo and inquiry documents will be transmitted to the VPAR for a final determination on probable cause.

The Committee conducted an inquiry on a complaint received February 2026, to determine probable cause having found “if true” on six of seven allegations. The Committee reviewed the evidence submitted from the Respondent and Complainant, in addition to information requested from relevant parties. Following the discussion, the Committee unanimously determined that there was no probable cause to warrant a disciplinary hearing on all allegations. The Committee’s recommendation memo and inquiry documents will be transmitted to the VPAR for a final determination on probable cause.

Proposed Revisions to UCR Appendix 5

The Committee reviewed proposed revisions to UCR Senate's local Appendix 5 procedures. Suggested revisions align the Senate’s local procedures with the recently updated systemwide [APM-016](#) (Relevant background: January 20, 2026 memo from Academic Council Chair Palazoglu - [Assembly Approval of Amendments to APM - 015 and 016](#)). Additionally, duplicative language has been removed in deference to the governing authority of systemwide APM and Bylaws. The Committee approved the revisions by a vote of +6-0-0.
