The Committee conducted an "if true" review of a case received in May 2026 (1 recused). The Committee unanimously determined that, if true, the allegations would constitute a violation of the University's policy on Faculty Conduct. The Committee proceeded with an inquiry to determine probable cause and reviewed the evidence submitted by the Respondent and Complainant. Following the discussion, the Committee unanimously determined that there was probable cause to warrant a disciplinary hearing on all allegations. The Committee's recommendation memo and inquiry documents will be transmitted to the VPAR for a final determination on probable cause.
