The Committee considered the proposed resolution by the Committee on Academic Freedom (CAF) and were unanimously in support with minor proposed revisions.

Case Discussion

The Committee resumed review of a case received in May 2025 (timeline extended due to summer break) and conducted an inquiry to determine probable cause having found "if true" on all allegations. The Committee reviewed the evidence submitted from the Respondent and Complainant. Following discussion, the Committee determined that there was no probable cause to warrant a disciplinary hearing on all allegations (+0-5-1). The Committee's recommendation memo and inquiry documents will be transmitted to the VPAR for a final determination on probable cause.
