Case Review – Initial Review

The VPAR transmitted an academic complaint on May 1, 2023 listing numerous alleged APM-015 violations against a Faculty Respondent. As per bylaw 8.7.3.2, the Committee considered whether the allegations in the complaint, if true, would constitute a violation of the designated University policy regulating individual Faculty conduct, in which the committee answered affirmatively (+8-0-0). The Committee will conduct an inquiry before its determination on probable cause by requesting a response and documentation from the Faculty Respondent, in addition to requesting clarifying information from the VPAR.

The meeting ended at 5:00 PM.
