Case Discussion

The Committee conducted an inquiry to determine probable cause on a complaint received December 2025, having found "if true" on the allegations. The Committee reviewed the evidence submitted from the Respondent and Complainant, in addition to information requested from relevant offices. Following the discussion, the Committee determined unanimously that there was probable cause to warrant a disciplinary hearing on the remaining allegations. The Committee's recommendation memo and inquiry documents will be transmitted to the VPAR for a final determination on probable cause.
