Re: Interim Guidance Regarding Abusive Conduct and Bullying Against Faculty and Academic Appointees Document

Dear Cindy:

I am writing to offer a brief summary of the feedback from Senate standing committees and College/School Executive Committees on the document titled "Interim Guidance Regarding Abusive Conduct and Bullying Against Faculty and Academic Appointees."

The responding committees include the CHASS, GSOE, SoBA, SOM, and SPP Executive Committees, as well as the Committee on Diversity & Equal Opportunity. All responding committees support the content and spirit of the document. The Chair of the CNAS Executive Committee expresses their own concern that the policy could potentially infringe on academic freedom of faculty members, and that such a possibility should be engaged by the policy itself.
