**RE: Proposed Revisions to Bylaw 182: University Committee on International Education**

Dear Jim,

The UCR Division of the Academic Senate has reviewed the proposed revisions to Bylaw 182 for the University Committee on International Education. What follows is a summary of feedback from the relevant Senate committee that was asked to examine the proposed revisions.

The Committee on International Education supports the revisions. It did add, however, that the added workload of the UCIE itself will require consideration, and that consultation with relevant campus-level committees should continue to be part of this ongoing discussion.

Sincerely yours,
