**Re: Request for 100% FTE Transfer for Professor Anandasankar Ray
and Professor Anupama Dahanukar**

The request to transfer 100% of Professor Anandasankar Ray and Professor Anupama Dahanukar's FTEs from the Department of Entomology in the College of Natural & Agricultural Sciences to the Department of Molecular, Cell and Systems Biology in the College of Natural & Agricultural Sciences effective July 1, 2017 was reviewed by the Committee on Academic Personnel and the Committee on Planning and Budget. Both committees support the transfer.

Committee on Planning & Budget
