On behalf of Senate Division Chair Rodriguez, I am forwarding for review the **Working Group on Comprehensive Access Chair's Report of Findings and Recommendations, with Responses from Working Group Members and UC Legal**. Please submit comments via IMS or senate@ucr.edu by **February 14, 2020** (you may cc cherysac@ucr.edu if you'd like). (Apologies for the very tight comment deadline!) As always, any committee that considers these matters outside its jurisdiction or charge may decline to comment.

The report file is too large for IMS. So, please access it via this link:

(As you read the report, you may want to refer to the July 2019 report of the UC Academic Senate Non-Discrimination in Healthcare Task Force: https://senate.universityofcalifornia.edu/_files/reports/rm-jn-final-report-non-discrimination-healthcare-taskforce.pdf

Thank you.
