**Re: Proposed Bylaw Change to Division Bylaw 1.2**

On April 6, 2017, the Committee on Committees reviewed the proposed bylaw change to Division Bylaw 1.2 regarding ex-officio committee member voting. Before offering its recommendation, the Committee would like to request further clarification on the application of the bylaw, specifically if this will also include the college executive committees? If the intent is meant to apply to Senate standing committee, CoC suggests that the proposed wording be revised to specify Senate *standing* committees.

The Committee looks forward to receiving clarification on this question before proceeding with the review.
