GSOE Executive Committee

RE: Proposed Divisional Bylaw change Regarding Voting Rights of Ex Officio
Committee Members

The Executive Committee of the Graduate School of Education met to consider the proposed change in Divisional Bylaw 1.2 regarding ex-officio committee members voting on GSOE standing or ad hoc committees. The GSOE EC discussed this issue at length, and decided that the decision about whether or not to vote would depend on the issue at hand; furthermore, the EC opined that ex officio members should be able to decide for themselves whether or not to vote. This doesn't seem like an issue to be legislated by the Academic Senate.
