Re: CODEO Proposed Change to Bylaw 8.6.1 and 8.6.2 (Second Review)

On April 6, 2017, the Committee on Committees reviewed the revised proposals to changes in bylaws 8.6.1 and 8.6.2 of the Committee on Diversity and Equal Opportunity. The Committee felt the change is justified and by a vote of +9-0-0 approves the proposal.

The Committee would like to suggest a minor edit to remove the coma after the word 'including.'
