GSOE Executive Committee

SUBJ: Assessment of Learning in Undergraduate Programs, AY 16-17

The Executive Committee of the Graduate School of Education (GSOE) met to discuss the report from the Director of Evaluation and Assessment, Gary Coyne. We took note of its importance, but wish to add that GSOE should be included if another report comes out this academic year, as our undergraduate program is well underway.

Thank you for the opportunity to comment on this proposal.
