**Statement of Purpose and Effect:** The Committee on Diversity & Equal Opportunity met to discuss the current relevance of the committee name and charge, and determined them to be outdated and misleading of the committee’s broader purpose. The purpose of the proposed changes is to provide a more representative committee title and committee charge, through removal of the terms “affirmative action”, and “equal opportunity”. Broadening the charge to all underrepresented groups, and incorporating the “Equity” and “Inclusion” terms will have the effect of representing broader UCR community goals in these areas.
