Re: Campus Review: Proposed Changes to Committee on Courses General Rules &
Policies Governing Courses of Instruction

The CNAS Executive Committee discussed the proposed changes to the Committee on Courses General Rules & Policies Governing Courses of Instruction at its February 20, 2018 meeting. The committee supports the policy as written with one possible correction. We suggest dropping the phrase "or is repeatable" in the sentence following "6 Grading ~~and Repeatability:~~" since course repeatability is now discussed in the next section.

Yours sincerely,
