Re: Proposed Changes to UCR Regulation R1.6.1

The Committee on Educational Policy reviewed the proposed changes to UCR Senate Regulation R1.6.1 at their May 4, 2018 meeting and noted concern that the proposed change to allow students to repeat courses in which a grade of C- was received violates [Systemwide Regulation 780.C.1](#), which states that a student may repeat only those courses in which a grade of D, F, Not Passed, or Unsatisfactory was received.

Additionally, the Committee was not supportive of the proposed addition of the second sentence to the regulation as some campus departments and programs have requirements for students to pass courses with grades exceeding a C.
