Re: Draft WASC Institutional Report

The Faculty Welfare Committee endorsed, in general terms, the draft report of UCR's response to the WASC, preparatory to the University's accreditation. Two comments of note from our discussion are: 1) multiple discussants thought it would be useful to mention in item #102 that SOM has recently completed their accreditation process and received full accreditation for the next five years, and 2) one discussant suggests consideration be given to more substantiation for the assertions of success and weakness.
