Re: Comments on Proposed Bylaw Revision: Bylaw Appendix 5 (5.3.1 and Addition of 5.3.11)

---

The CNAS Executive Committee discussed the Proposed Bylaw Revision: Bylaw Appendix 5 (5.3.1 and Addition of 5.3.11). While some thought the revision was straightforward, others on the committee commented that the language used in this revision was complicated and wondered whether the same content could be expressed more clearly. The committee also noted that there was a fair degree of ambiguity associated with the revision that allows considerable leeway to the Chancellor's Designee to make decisions. That said, there was also a question as to who the Chancellor's Designee is and whether it should simply state Vice-Provost of Administrative Resolution.
