RE: SOM FEC comments on “Systemwide Consultation on Proposed Revisions to Investigation and Adjudication Frameworks”

The School of Medicine Executive Committee evaluated the document at the January 2019 FEC meeting.

The FEC members do not object to the modifications that aimed at providing a streamlined procedure, including requiring the Chancellor or Chancellor’s designee to consult with their campus Title IX Officer on discipline for faculty, staff, and non-faculty academic personnel found in violation of the SVSH Policy, and to require the Chancellor to issue a final decision about discipline for Senate faculty within 14 days of receiving a recommendation from the Privilege and Tenure Committee.

Kind regards,

Maurizio Pellecchia
