Re: Proposed Revision to Investigation and Adjudication Frameworks Under the Sexual Violence and Sexual Harassment Policy

The Committee on Undergraduate Admissions reviewed the proposed revisions to the Sexual Violence and Sexual Harassment (SVSH) Academic Frameworks at their February 13, 2019 meeting and did not have any concerns with the revision as it relates to the Committee's charge of undergraduate admissions.

The Committee did note concern that the revision to the SVSH Academic Frameworks does not include a time frame specifying how long The Regents have to reach a decision about dismissal of a faculty member who has tenure or security of employment.
