Committee on Research

RE: Systemwide Review: Proposed Revisions to Senate Bylaw 336

The Committee on Research reviewed the proposed revisions to Senate bylaw 336. While the committee agrees that timely responses to charges are necessary, the committee has several concerns: 1) if the deadlines are compatible with current operating procedures of appropriate Academic Senate committees, as already noted by Chairs of these committees, b) if proposed revisions are in compliance with confidentiality rules that already exist, and c) the ambiguity of the actions and consequences in the instances where the hard deadlines are not met.
