RE: [Systemwide Review] Proposed Bylaw Revision: Proposed Revisions to Senate  
Bylaw 336

Planning & Budget (P&B) discussed the proposed revisions to Senate Bylaw 336 at their February 19, 2019 meeting. P&B did not have any specific comments that would pertain to the charge of P&B, but members expressed concern over the expectation for faculty with 9-month appointments and research commitments to adhere to the new timelines in the event hearings occur during the summer. Some members expressed concern that shortened timelines may minimize the chances for mediation at earlier stages in the process.
