Re: Systemwide Review: Proposed UC Transfer Admission Guarantee

The CNAS Executive Committee discussed the Proposed UC Transfer Admission Guarantee Report at its February 19, 2019 meeting. Overall, the committee supports the proposed revisions. However, the committee also expressed concern that on the UC Transfer Pathways website, more UC Riverside majors that are applicable to the 21 Transfer Pathways need to be listed. For example, under the Biology Transfer Pathway, only the Biology major at UC Riverside is listed, but not Entomology, Plant Biology, and Microbiology, which would also fall under this pathway. Some mechanism for searchable majors for each Transfer Pathway that emphasizes our unique majors would facilitate enrollment.

Sincerely,

A handwritten signature in black ink that reads "Louis Santiago".

Louis Santiago, Chair
