RE: Proposed Policy: Second Systemwide Review of Proposed Presidential Policy on Open Access for Theses and Dissertations

The CHASS Executive Committee discussed the Second Systemwide Review of Proposed Presidential Policy on Open Access for Theses and Dissertations at the regular meeting on January 23, 2019. The committee suggested that the procedures (up to a 5-year embargo allowed, and anything above 2 years needs specific approval) for submission of a dissertation at UC Riverside should be made into a policy, while the document as is reads: "Not stated as policy but rather as procedures to submitting dissertation." Otherwise, there were no objections and the committee approved the proposed policy.
