RE: Report Review: UC Center Sacramento

The CHASS Executive Committee submitted responses about the Report Review: UC Center Sacramento email by May 20, 2019. The committee noted that very few UCR students are enrolled in the UC Center Sacramento (UCCS) Internship Program. Though there are four information sessions per quarter to highlight both UCDC and UCCS, the UCCS Program seems to attract fewer students than the UCDC Program. What can faculty and staff do to improve the students' awareness of the UCCS program? Possibly, the UCR representative of the program could contact pertinent staff and faculty via email or go to classes to briefly announce the UCCS Program.

The committee agrees that the program has the potential to be highly beneficial for UCR students and would like to see more visibility of the program for UCR students. Otherwise, there were no objections and our committee approved of the support of the UCCS Program.
