**Re: Proposed Agreement: Resubmission-UCR Online Course Agreement (ILTI Agreement)**

The Committee on Planning & Budget (P&B) reviewed the Resubmission of the UCR Online Course Agreement (ILTI Agreement) at their March 31, 2020 meeting. P&B would like to call attention to the compensation faculty receive for intellectual property, the committee feels the compensation should be proportional to its usage throughout UC and off-campus. The committee also feels online learning should primarily be used where it is needed most (impacted majors/courses). Finally, concern was expressed for TAs – will TAs be used for these courses? If so, who will supervise the TAs?
