

COMMITTEE ON ACADEMIC PERSONNEL

April 15, 2020

To: Dylan Rodriguez
Riverside Division Academic Senate

From: Sherryl Vint, Chair 
Committee on Academic Personnel

Re: Campus Five Year Planning Perspectives (2020-2025)

CAP reviewed the materials provided for the Campus Five Year Planning Perspectives (2020-2025) and was unable to identify how it would have an impact on academic personnel issues. In the future, the committee requests context on what the review item is about and what type of feedback the Senate is seeking from the committee.
