Graduate Council

Re: Campus Five Year Planning Perspectives (2020-2025)

Graduate Council reviewed the Campus Five Year Planning Perspectives (2020-2025) at their April 16, 2020 meeting. The Council noted the following updates that need to be made to the report:

1. Biophysics MS/Ph.D. was approved by systemwide. This should be indicated as an approved program on the report.
2. Master's in Business Analytics was approved by the UCR Division in February 2020. The proposal has been forwarded for systemwide approval. The status should be changed to "4" on the report in the 2018-2023 Status column.
