Re: [Campus Review] Proposal: Proposal to Extend COVID-19 Remote  
Instruction at UCR

The Committee on Diversity, Equity and Inclusion reviewed the proposal to Extend COVID-19 Remote Instruction at UCR and are in favor of the proposal. We support the decision that no one should be forced to teach in-person.

The Committee is concerned about disadvantaged students not having access to computers, reliable internet, study space, etc. We encourage the administration to provide assistance to those students. We also suggest to perhaps open up some areas on campus as a social distancing-compliant study space.
