

COMMITTEE ON DIVERSITY, EQUITY, AND INCLUSION

April 6, 2020

To: Dylan Rodriguez
Riverside Division Academic Senate

From: Xuan Liu, Chair
Committee on Diversity, Equity, and Inclusion

Re: Proposed New Presidential Policy on Gender Recognition and Lived Name

The Committee on Diversity, Equity and Inclusion (CODEI) reviewed the proposed New Presidential Policy on Gender Recognition and Lived Name at its April 2 meeting. We support the proposal and applaud the university's move toward more inclusivity and beyond a gender binary. We also encourage the administration to consult with academic specialists that are experts in this area before implementing such a policy.
