Re: Proposed New Presidential Policy on Gender Recognition and Lived Name

The Committee on Faculty Welfare (CFW) has been asked provide feedback on the proposed Presidential policy on gender recognition and lived name. CFW is unanimously supportive of the new policy. The committee, however, wants to stress the importance to provide students, employees, alumni and affiliates clear and easy-accessible instructions (e.g., on-line) on how to amend their gender designation and lived names on university-issued documents and information systems.
