Re: Report of the Working Group on Comprehensive Access

The Committee on Diversity, Equity and Inclusion (CODEI) considered the Report of the Working Group on Comprehensive Access at its February 6th meeting. CODEI members expressed support for Option 2 (i.e. prohibit UC Health's affiliations with non-UC entities that prohibit certain services for women and LGBTQ+ people) in the Report of the Working Group on Comprehensive Access.

Option 1 (i.e. allow UC Health's affiliations with non-UC entities that prohibit certain services for women and LGBTQ+ people) is not an acceptable option as it is inconsistent with the UC's core value of Diversity, Equity and Inclusion.
