College of Natural and Agricultural Science

Re: Campus Review: Proposal: Request for use of title Professor of  
Practice on campus

The Committee discussed intent of the proposed title of “Professor of Practice.” The discussion clarified that the motivation for using this title in lieu of Adjunct Professor is to lend more distinction to those recruited as adjunct professors in recognition of their experience and practical application in a particular field of study. We are supportive of this.

Cheers,

A handwritten signature in black ink that reads "Ted Garland".
