RE: [Campus Review] Proposal: Request for use of title Professor of Practice on campus

Date: April 2, 2021

The Executive Committee of the School of Public Policy reviewed and discussed the document “Proposal: Request for use of title Professor of Practice on campus.”

We are in full support of this proposal. As one of several professional schools on campus, it would be incredibly beneficial for us (as well as GSOE, SOBA, and SOM—even other units) to have the title of “Professor of Practice” available.

One of our Committee members noted how the use of such titles at other universities seemed to work well in terms of attracting outstanding practitioners to get involved in academics programs, where they could be valuable resources for our students and faculty.

Sincerely,

A handwritten signature in black ink that reads "Richard M. Carpiano". The signature is fluid and cursive.

Professor of Public Policy and Sociology
