Re: [Systemwide Review] Report Review: Innovative Learning Technology Initiative (ILTI)

The Committee on Faculty Welfare met on December 15, 2021 to review the Report on the Innovative Learning Technology Initiative (ILTI) Review. The Committee notes its approval of the way in which courses created by faculty are being retained. CFW feels it is important to make a distinction between classes currently being taught remotely due to the COVID-19 campus response and those courses that were developed to be taught online. Overall, CFW felt the recommendations in the proposal were very positive and agreed with them.
