RE: [Systemwide Review] Proposed Policy: Proposed Presidential Policy, Business and Finance Bulletin, IS-12 IT Recovery

The Committee on Planning & Budget (P&B) discussed the proposed Presidential Policy, Business and Finance Bulletin, IS-12 IT Recovery at their January 19, 2021 meeting. P&B agreed the IT security is a crucial issue but were concerned that the scale of this proposal would likely be prohibitively expensive given that no new funding appears to be attached to the initiative and recommended a cost/benefit analysis of the proposal be conducted.
