To: Sang-Hee Lee, Chair
Riverside Division

From: James Flegal, Chair
Committee on Courses

Re: Proposal to Improve Assessment of Core Competencies and General Education at UCR

The Committee on Courses reviewed the proposal to improve assessment of core competencies and general education at UCR at their October 11, 2023 meeting. The Committee recommends that the proposal be updated to include a charge for the proposed Senate standing committee to provide more detail and clarity on how the proposal will affect courses and instruction at UCR.
