

January 10, 2024

To: Senate

From: School of Business Executive Committee

Re: Change to Campus Guidelines: 2nd Round-Proposed Changes to the Guidelines for Admission by Exception (AxE)

The School of Business Executive Committee discussed this proposal and would like to recommend that the Special Review Committee described in Appendix A of the proposal include as Senate Faculty Members not only faculty representatives from CHASS, CNAS and BCOE, but faculty representatives from *all* colleges (or at least all schools/colleges that have an undergraduate program).
