Re: Proposed Revised Policy: *Presidential Policy BFB-BUS-50: Controlled Substances Use In Research and Teaching*

In its February 5, 2024 meeting, CAP discussed the proposed revisions to the systemwide *Presidential Policy on Controlled Substances Use In Research and Teaching*. The committee commends the effort in clarifying the scope of duties of the Campus Controlled Substances Programs and the Controlled Substances Program Officers as well as several DEA-related issues, and appreciates its contextual coherence and definitional consistency. Accordingly, CAP has no further comment on this revised systemwide Presidential Policy.
