RE: [Campus Review] (Proposal) UCR Registrar's Implementation of UCR Senate Regulation 6.14 (UCR SR 6.14) - 35 Units In Residence Requirement

The Committee on Rules and Jurisdiction appreciates the thoughtful proposed implementation of regulation 6.14, and the diligence demonstrated in developing the proposal. The Committee does not find any issues of rules and jurisdiction on which to opine at this juncture. Deferring jurisdiction to the Committees on Educational Policy and Courses, the Committee is looking forward to receiving any additional revisions to the document or subsequent actions as appropriate.
