October 24, 2025

To: Ken Barish, Chair
Riverside Division

From: Emma Stapely, Chair
Committee on Courses

Re: Revised Proposal for B.S. in Genetics and Biotechnology

The Committee on Courses reviewed and voted to support the revised proposal for a B.S. in Genetics and Biotechnology at their October 23, 2025 meeting with the reminder that all new course proposals for the curriculum need to be submitted in the Course Request System (CRS).
