Re: *[Campus Review] (Report Review) Drafts of UCR's WASC Self-Study and Institutional Report for Reaffirmation*

The Physical Resources Planning Committee (PRP) reviewed the *[Campus Review] (Report Review) Drafts of UCR's WASC Self-Study and Institutional Report for Reaffirmation*.

PRP appreciates the dissemination of the reaccreditation report for Senate review. In reviewing the documents considering the committee charge, the committee notes a need for a more explicit and transparent detailing of the strategic coordination surrounding physical resources on campus. Notable items that would benefit from increased clarity include how the funds available will be utilized, how priorities will be set with existing space concerns, parking allotments considering enrollment increases, the planning processes for physical resources, how they were reached, and how they will be continually evaluated. Overall, PRP recommends increased transparency and explanation of the decision-making processes for physical resources in the revision of the reaccreditation documents provided for review.
