Re: **[Systemwide Review] Proposal: *Proposed Revisions to Senate Bylaw 140 (UCAADE)***

At our meeting on October 29, 2025, the Committee on Academic Personnel (CAP) discussed the *Proposed Revisions to Senate Bylaw 140 (UCAADE)*. CAP acknowledges that the proposed revisions update UCAADE's name and charge to better reflect its current focus and responsibilities. But the issues pertaining to the proposed revisions do not fall within the purview of CAP; and thus, CAP has no comments.
