Re: [Campus Review] Consultation: Renewal request for 5-year Extension of the Exception to 1/6 Limitation on Appointment to Professor of Clinical X Series

On September 30, 2026, CAP considered the extension request from the School of Medicine for an exemption to APM 275-16-f(3), which places a ⅙ limitation on appointments to the Professor of Clinical X series. CAP acknowledges the challenges of meeting this ⅙ limitation when building a new medical school, and by a vote of +10-0-0, the Committee voted unanimously to support the SOM's request to extend the exemption for an additional 5 years.
